Case No. 6:24-cv-210-JDK-JDL

**ORDER ADOPTING REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

Petitioner Raul V. Garza, a Texas Department of Criminal Justice inmate proceeding pro se, filed this petition for a writ of mandamus directed to the TDCJ Michael Unit's mailroom. The petition was referred to United States Magistrate Judge John D. Love for findings of fact, conclusions of law, and recommendations for disposition.

On June 11, 2024, Judge Love issued a Report and Recommendation recommending that the Court deny the petition and dismiss this case with prejudice. Judge Love also recommended that a certificate of appealability be denied. Docket No. 8. A copy of this Report was mailed to Petitioner. No objections to the Report have been filed.

This Court reviews the findings and conclusions of the Magistrate Judge de novo only if a party objects within fourteen days of service of the Report and Recommendation. 28 U.S.C. § 636(b)(1). In conducting a de novo review, the Court

examines the entire record and makes an independent assessment under the law. *Douglass v. United Servs. Auto. Ass'n*, 79 F.3d 1415, 1430 (5th Cir. 1996) (en banc), *superseded on other grounds by statute*, 28 U.S.C. § 636(b)(1) (extending the time to file objections from ten to fourteen days).

Here, Petitioner did not object in the prescribed period. The Court therefore reviews the Magistrate Judge's findings for clear error or abuse of discretion and reviews the legal conclusions to determine whether they are contrary to law. *See United States v. Wilson*, 864 F.2d 1219, 1221 (5th Cir. 1989), *cert. denied*, 492 U.S. 918 (1989) (holding that, if no objections to a Magistrate Judge's Report are filed, the standard of review is "clearly erroneous, abuse of discretion and contrary to law").

Having reviewed the Magistrate Judge's Report and the record in this case, the Court finds no clear error or abuse of discretion and no conclusions contrary to law. Accordingly, the Court hereby **ADOPTS** the Report and Recommendation of the United States Magistrate Judge (Docket No. 8) as the findings of this Court. This mandamus petition is **DENIED**, and this action is **DISMISSED** with prejudice. To the extent one is required, the Court **DENIES** a certificate of appealability.

So **ORDERED** and **SIGNED** this **30th** day of **July, 2024**.
